Avibra Updates

Done

HOME PAGE SECTION
1-Show BETA keyword beside Finance and Health

FINANCE SECTION
2. When i click on Watch Demo - open up dummy youtube link - we will replace youtube link with our video but atleast we have the framework in place.

3-Rename "your financial well-being" to
  Use below credential to login to your financial planning tool
  User id = <Customer Id>@avibra.com (you will find your customer id in Avibra app under Settings -> Edit Account Info)
  Pwd = Avibra<Customer Id>

HEALTH SECTION
==============
Goals
-----
1. Rename "Tap on goals.." to "Tap on goals to complete detail questionaire"

Add a small description below each goal name

a. Physical Well-Being
Improve your overall well-being

b. Lifestyle changes
Understand your daily routine

c. Weight Loss
Align yourself to weight loss plan

d. Maintain/Improve Eating Habits
Get to know what you eat.

e. Gain Weight
Align yourself to weight gain plan.

MEAL PALN

3-Drop down - just curious why it is in teal color, it should be like normal dropdown box and there is no need to fill it up with teal color.
2. Why there is ">" ? it is not required

Task Left

FINANCE SECTION

1. why the format is different for this one, why it is not online with Health format where you have Hello and two tabs, this should be exactly similar like that one.

4. Add Dos & Don't Section below - two boxes - similar to this image
https://wwws.betterment.com/app/goals/853718/personalized_retirement_plan
Do's
====
a. Ensure information entered is accurate
b. Play with what-if scenario to analyze your current and future situation

Dont's
=======
a. Never enter your personal identifiable information such as email id, first name, last name etc.
b. Never share your tool personal login credentials.
